

Instructions For Building A Profile

To complete your profile we will need the following information either by logging in and completing your profile or email us:

Section A) Required

- Profile information or bio in case of artist, which information will be published on your '**About**'; section on your personal page.
- Your Logo, photos, video links, prices, product descriptions, wordings, and contact information, which all will be published on your personal page

Section B) (optional)

Let us know with few words how you think you would like to participate with the Club (if you do). The categories bellow is to give you a basic idea of fields of what this could be:

- **Stage performance** (ready shows, part time musician, d jay, presenter, talker etc.
- **Kiosks** (organizing jobs around stalls installation & communication between participators etc.)
- **Office** (excel, statistics, logistics, press releases, emails etc.
- **Graphic design** (Photoshop, illustrator, website building etc.
- **Technician** (includes sound and vision, electrics, electronics, installations etc.)
- **Event production** (communication, sponsorships advertising, facebook manager etc.)
- **Physical assistance**

Some of the above "jobs" could be on volunteer basis and some could be on payment with reasonable costs. Some could be a small job for you, but great help for us and others will need much more effort, time and maybe physical work and of course you should be enumerated for this.

We want you to be happy! By compiling a data base so that when you need e.g, graphic designers or musicians etc, we will know where to find them this way we can build and organize an 'active' team.

Section C) (optional)

We would also like to ask your permission to add you on our Facebook private group **Only for Members** (optional). In this group we will post all the announcements about potential events, exchanging ideas, passing of information, and other initiatives in line with our ubuntu ideology " I am because we are" .

Please do not hesitate to contact us personally for further advise either by email or call:
